- ✓ Reinvent the industry with a straight forward customer service, customer care approach
- ✓ Take seriously the responsibility of helping people thrive.

# What's the purpose behind The Edge

## To create an “On Pointe” Real Estate Professional

Sitting at a traditional Real Estate Company today, over 85% of Realtors fail within the first five years. That is a fact, that is tradition.

They **ARE** failing because they are not “On Pointe” with a playbook and a business plan to follow.

They **ARE** failing because they do not have a personal coach and mentor who honestly cares enough to hold them accountable.

They **ARE** failing because of tradition, they simply don't know what to do, or even worse they just don't take this business seriously.

That's why we do this: for people like us, who take this business seriously. We want to be seen as “On Pointe” professionals, who strive to **serve their clients at the highest level.**

# Tradition vs The Edge

- ✓ **Tradition:** Company's tend to hire as many bodies as possible with hopes 15% will have some type of success.
- ✓ **The Edge:** seeks to discover the person with purpose, passion, positive attitude, and a real desire for growth.
- ✓ **Tradition:** Training on Forms and Prospecting, with no accountability
- ✓ **The Edge:** Training is On Pointe! Coaching & teaching Professionalism, Customer Care, Customer Service, Loyalty, Sales and Business with accountability
- ✓ **Tradition:** Offers the opportunity, to be a Realtor
- ✓ **The Edge:** Offers a Career in Real Estate with multiple opportunities of growth! The Edge, Edge Realtor Inc., Edge Biz Partner all with VALUE ADDED commission programs
- ✓ **Tradition:** Continues to create an atmosphere of the "lone wolf". It's you against the rest, where only the strong and a few of the lucky survive.
- ✓ **The Edge:** has a F.A.S.T (Fun, Active, Success, Trust) Culture and an honest concern for all of our Realtor Partners Growth

# One Goal, One Vision, One Real Mission...

**“To help every one of our Realtor Partners build their brand, their business, their career, their future, their success.”**
